YES: Youth Engagement and Employability for Success through Social Entrepreneurship

Date: 13 March, 2026

YES: Youth Engagement and Employability for Success through Social Entrepreneurship is an Erasmus+- KA220-YOU that involves partners from Italy (Isola Catania), Spain (Transeunte), Croatia (IYP), Romania (GEYC) and Malta (Junior Achievement).

YES aims to empower and inspire young people (16-30), NEET, youth workers, young social entrepreneurs and small youth organisations with **knowledge & soft skills** emerging from social entrepreneurship, digital tools and training on financial management and empowerment. **YES** offers young people a space for listening, training & dialogue to access the job market more easily and to develop social entrepreneurial ideas.

This is our consortium at the Transnational Project Meeting in Bucharest on January 2026:

YES Open Call!

What if your skills could help tackle youth unemployment while building your own future? **YES** project it's a space for you to grow together!

We are launching an **open call** to match **young volunteers** (18-35) & **young learners** (18-30) to build a space where young people with strong soft skills can deliver 1-hour micro-trainings to small groups of 3-4 young participants online or in-person, fostering peer learning, employability & personal growth.

The resources shared will foster creativity, **stimulate innovation**, and promote inclusive **networking opportunities** to encourage collaboration and social engagement!

The **skills** we are looking for are:

- *Social Media Management for Social Impactful Communication*
- *Leadership & Team Management*
- *Networking Online & Onsite*
- *English for an Effective Communication*
- *LinkedIn & CV Optimization for Job Interviews*
- *Project Management as a Tool of Creative Problem Solving*
- *Professional Communication & Public Speaking*
- *Financial Empowerment: Long-Term Strategy, Mindset & Self-Control*
- *Introduction to Visual Design for CVs, Portfolios and Presentations*

Young volunteers will be matched with young learners by us, and then you can decide to fix your spot for the 1 hour of training! You can participate both as a young volunteer and a young learner if you want to learn but also to teach some skill.
